1953 Spring Garden

CATALOG

Nothing can quite take the place of a lovely yard . . . green, luxurious carpets of lawn, gay and colorful flowers, handsome evergreens. . . And certainly nothing can take the place of fresh and healthful vegetables . . . right from your own garden!

You'll find within the pages of this catalog the best of everything to help you make your yard and garden a real showplace . . . vegetable seeds and plants . . . flower seeds, plants, bulbs . . . rose bushes . . . trees, shrubs, vines . . . fertilizers, insecticides, supplies. We even have the supplies to keep your pets healthy and happy!

If you find it handy, please use the mail order form on the back page. Your orders will receive our prompt and careful attention.

We suggest you save this catalog for future reference. Look it over at your leisure, and select your needs.

Remember, feel free to visit our big Greenhouse at any time. Let us help you with any landscaping or planting problems you may have.

HAPPY GARDENING!

Sincerely,
LEON MILOT
Manager

Nothing tells a message as well as flowers. Down through the ages, flowers have spoken as words never have. You'll find flowers an always-perfect gift for birthdays, anniversaries, dinners, parties, or as an expression of fondness for someone you love. . . .

We feel that you, the customer, must be satisfied at all times. That is why we strive to put gayety, charm, beauty into our bouquets, our corsages.

Whenever you have a need for flowers, call us. Our phone numbers are 621 (Greenhouse) and 2482 (Downtown Store).

And as a reminder, when you wish to send a gift to someone in another city, phone Milot-Mills at either 621 or 2482. We'll place your flowers right in the hands of the person you say . . . by Florists' Telegraph delivery. The charge is small, the service is great!

Looking for a "just right vase, planter lamp or a figurine? Drop in at our Downtown Store at 22 North Wenatchee Avenue. We have many lovely things for you to see.

Milot-Mills Co., Inc.

YOUR PIONEER FLORISTS
Founded in 1909

Postoffice Box 16, Wenatchee, Wash.

Greenhouse and Gardens are at Peachey and Okanogan Streets. . . Visitors are always welcome.

PEANUTS

CULTURE—Peanuts require a light, rich soil, well limed. Plant in the spring as soon as the ground has become warm, in rows 30 to 36 inches apart, placing the seed 6 to 10 inches apart in the row. It is not necessary to remove the hull when planting. When matured pull and hang up to dry.

Virginia, per lb. 45c
1/4 oz. to 100 ft. 1 to 2 lbs. per acre

PEPPERS

Culture and soil and temperature requirements are about the same as for Eggplant. A moderate dressing of guano, poultry manure, or complete commercial fertilizer, hoed into the soil after the plants are 6 to 8 inches tall, will be very beneficial.

TERRA-LITE VERMICULITE

The most talked-of product in gardening in years! Composed of countless tiny air cells, Terra-Lite vermiculite holds and releases air and moisture in just the right quantities. Not a fertilizer, but a superior growing medium—good for all these jobs:

- Starting Seeds—quicker, bigger development, easy to transplant.
- Lightening soil—breaks up heavy clay, aerates soil.
- An ideal mulch—protects plants winter or summer.
- Transplanting—promotes healthy growth for all plants.
- New lawns—finer lawns, with less frequent watering.
- Rooting cuttings—sure-fire medium for strong, fast rooting.
- Storing bulbs—stops storage rot. Keeps bulbs firm and plump.
